ARTICLE 1 RECOGNITION

The Board of Trustees of the Imperial Community College District, hereinafter referred to as the "Board" or "District," hereby recognizes the California School Employees Association, Imperial Valley College Chapter 472, hereinafter referred to as the "Association" or "CSEA," as the sole and exclusive representative of those classified positions listed in the Recognition Agreement, executed and attached hereto as EXHIBIT A.

The Board agrees that it will not negotiate with any other organization on matters upon which the Association is the exclusive representative, and it further agrees it will negotiate only with those persons designated by the Association as representatives of CSEA for the purposes of negotiations.

The Association recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board's representatives officially designated by the Board to act in its behalf. CSEA further agrees that neither it nor any of its members or agents will attempt to negotiate privately or individually with the Board, any Board member, administrator or other person or persons not officially designated by the Board as its representative for the purposes of negotiations.

ARTICLE 2 **EQUAL EMPLOYMENT OPPORTUNITY/DIVERSITY, TITLE IX
EMPLOYER**

The Imperial Community College District is an equal employment opportunity, Title IX employer. (See District Equal Employment Opportunity Policy and Title IX Policy for complete program.)

ARTICLE 3 ASSOCIATION RIGHTS

3.1 Use of Buildings, Equipment, Facilities, Materials

Upon advance request, and depending upon availability, the Association shall have the right to use, without charge, institutional equipment, facilities and buildings at reasonable times. However, use of such equipment, buildings and facilities for instructional purposes shall take priority. The Association shall reimburse the District, at District cost, for use of materials.

3.2 Communication and Distribution of Organizational Materials

The Association shall have the right to use, without charge, designated bulletin boards, mailboxes, the College website as approved by the Superintendent/President, the College mail, e-mail, and voice mail systems, and other District means of electronic communications for the posting or transmission of information or notices concerning Association matters. Only those organizational materials officially authorized by the Association Chapter President shall be placed in mailboxes or posted. The Association agrees to provide to the Superintendent a courtesy copy of each organizational material at the time it is posted or distributed.

3.3 Access

Association representatives shall have the right of access to areas in which employees work. Association representatives may engage in recruiting activities and conduct official Association business including representation in grievance procedure matters on District property. Within thirty (30) calendar days of ratification of this Agreement by both parties, the Association shall provide the District with the names, titles, addresses, and telephone numbers of Association representatives.

3.4 Parking

A campus parking identification card or sticker shall be provided to the designated local representative of the Association.

3.5 Requests for Information

In order to fulfill its responsibilities as the exclusive representative of classified employees, the Association will be provided upon request two (2) copies of any current published District report including the tentative and adopted budgets, public records, and other materials pertaining to matters of collective bargaining.

3.6 Personnel Files

The Association shall have the right to review the personnel files of bargaining unit members under the same terms and conditions described in the EMPLOYEE RIGHTS

article of this Agreement, and upon the written authorization of the member or when the member accompanies the Association representative.

3.7 Rosters

The names, addresses and telephone numbers of unit members as provided to the District by unit members themselves shall be provided to the Association within thirty (30) calendar days of the beginning of each Fall semester. Bargaining unit members may request in writing that their addresses and telephone numbers not be included on the bargaining unit roster.

3.8 Agency Shop

3.8.1 Check Off

CSEA shall have the sole and exclusive right to have membership dues and service fees deducted for employees in the bargaining unit by the District. The District shall, upon appropriate written authorization from any employee, deduct and make appropriate remittance for insurance premiums, credit union payments, savings, bonds, charitable donations, or other plans or programs jointly approved by CSEA and the District. The District shall pay to the designated payee within fifteen (15) days of the deduction all sums so deducted.

3.8.2 Dues Deductions

3.8.2.1 The District shall deduct, in accordance with the CSEA dues and service fee schedule, dues from the wages of all employees who are members of CSEA on the date of the execution of this agreement, and who have submitted dues authorization forms to the District.

3.8.2.2 The District shall deduct dues, in accordance with the dues and service fee schedule, from the wages of all employees who, after the date of execution of this agreement, become members of CSEA and submit to the District a dues authorization form.

3.8.2.3 The District shall immediately notify the CSEA Job Representative if any member revokes a dues authorization.

3.8.3 Service Fee

3.8.3.1 CSEA and the District agree that each employee in the bargaining unit should contribute equally toward the cost of administration of this agreement by CSEA and for the representation of employees in the bargaining unit by CSEA.

3.8.3.2 Employees in the bargaining unit who are not members of CSEA on the effective date of this agreement and employees who hereafter come into the bargaining unit shall, as a condition of continued employment, either within thirty (30) days of the date of this

agreement or their employment, apply for membership and execute an authorization for dues deduction on a form provided by CSEA done in accordance with the CSEA service fee schedule. Failure on the part of the employee to comply with this provision shall be cause for termination.

3.8.3.3 However, nothing contained herein shall prohibit an employee from paying service fees directly to CSEA, in accordance with CSEA procedures.

3.8.3.4 In the event that an employee revokes a dues or service fee authorization or fails to make arrangements with CSEA for the direct payment of service fees, the District shall deduct service fees until such time as CSEA notifies the District that arrangements have been made for the payment of such fees.

3.8.4 Religious Objection

Any employee covered by this agreement who is a member of a religious body whose traditional tenets include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in or financially support any employee organization as a condition of employment, except that once such employee has submitted evidence to CSEA which proves that he/she sincerely holds such beliefs will be required, in lieu of a service fee, to pay sums equal to such service fee either to a non-religious, non-labor organization, charitable fund exempt from taxation under Section 501(c)(3) of Title 26 of the Internal Revenue Code, chosen by such employee from the following list of three:

- (1) United Way
- (2) American Heart Association
- (3) IVC Classified Scholarship Fund (to be administered by the IVC Foundation)

3.8.5 Deduction and Payment of Charitable Contributions

Any employee who belongs to a religious body described herein shall, within thirty (30) days of the date of this agreement or their employment, present proof to CSEA that they are a member of such religious body and shall execute a written authorization for the payroll deduction in an amount equal to the service fee payable to one of the three (3) organizations listed in Section 3.8.4 of this agreement, or in the alternative, such employee shall provide proof to the District that such payments have been made on an annual basis as a condition of continued exemption from the requirement of financial support to the exclusive representative. If such employee who holds conscientious objections pursuant to this section requests the employee organization to use the grievance procedure or arbitration procedure on the employee's behalf, the employee organization is authorized to charge the employee for the reasonable cost of using such procedure.

3.9 Distribution of Agreement

The District agrees to furnish copies of this Agreement to each member of the bargaining unit within sixty (60) calendar days of its ratification by both parties.

3.10 Released Time

The Association Chapter President and/or his designee and Association representatives shall be granted reasonable release time for such matters as administration of this Agreement, “problem solving” sessions, negotiations, and/or other occasions agreed upon by the Association and the District.

Also, the District agrees to grant released time and to pay for the travel and meals, at current District rates, for three (3) Association representatives to attend the statewide annual CSEA conference. Finally, the District agrees to pay for the lodging of two (2) Association representatives during their attendance at the annual CSEA conference.

3.10.1 Released Time for Attendance at Governance and Ad Hoc Presidential Committee Meetings

Members will be released whenever feasible to attend meetings of governance and ad hoc committees to which they are appointed by CSEA at the request of the Superintendent/President of the College.

3.11 Lounge Area

A lounge area for the use of classified employees during rest and lunch periods shall be provided by the District. In the event any group other than the Association desires to use the lounge area for an exclusive event, a facility request form must be submitted and it must bear an approved signature by the President of CSEA or his/her designee.

3.12 Statewide CSEA Committees

For those unit members who serve on statewide CSEA committees, the District agrees to provide up to and including a total of ten (10) work days per year of released time for attendance at such meetings.

3.13 Information Packets

The District shall provide information packets containing District and CSEA materials to each member of the bargaining unit at the yearly staff orientation meeting.

ARTICLE 4 EMPLOYEE RIGHTS

4.1 General

The District and the Association recognize the rights of employees to form, join, and participate in lawful activities of employee organizations and the equal alternative rights of employees to refuse to form, join, and participate in such activities.

4.2 Personnel Files

The personnel file of each member of the bargaining unit shall be maintained by the Human Resources Office. Every employee shall have the right to inspect materials in their personnel record upon request. Employees may request copies of only those documents they have signed. However, every employee may inspect their entire personnel record except as outlined below. Such review shall take place during the normal business hours of the District, and the employee shall be released from duty for this purpose.

Materials in the file which may serve as a basis for affecting the status of employment are to be made available for the inspection of the person involved. However, such material is not to include ratings, reports, or records which (1) were obtained prior to the employment of the person involved or (2) were prepared by identifiable examination committee members.

Information of a derogatory nature, except material described in the second paragraph directly above, shall not be entered or filed unless and until the employee is given notice and an opportunity to review and comment thereon. Employees shall have the right to enter, and have attached to any such derogatory statement, their own comments thereon.

4.3 Parking

The District agrees to provide, at no cost to the employee, parking spaces for those motor vehicles of employees which display the proper parking authorization.

4.4 Non-Discrimination

The District shall not discriminate in any manner nor shall reprisals of any kind be taken because of employee involvement in protected CSEA activities.

4.5 Classified as Faculty Adjunct

Classified Employees shall be entitled to serve as faculty adjunct professors. All classified employees so employed shall be paid at the standard adjunct rate of hourly pay.

ARTICLE 5 DISTRICT RIGHTS

5.1 General

It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included but not limited to those duties and powers are the exclusive right to do the following: to determine its organization; to direct the work of its employees; to determine the times and business hours of operation; to determine the kinds and levels of service to be provided and the methods and means of providing them; to establish its educational policies, goals and objectives; to ensure the rights and educational opportunities of students; to determine staffing patterns; to determine the number and kinds of personnel required; to maintain the efficiency of District operations; to determine the curriculum; to build, move or modify facilities; to establish budget procedures and to determine budgetary allocations; to determine the methods of raising revenue; and to take action on any matter in the event of an emergency.

5.2 Personnel/Employees

In addition, the Board retains the right to hire, classify, assign, transfer, evaluate, terminate, and discipline employees. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, and regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

5.3 Exceptions

In the event of a natural or man-made disaster, the District retains its rights to amend or modify policies and practices referred to in this Agreement. Emergency is defined as a natural or man-made disaster or other dire interruption of the District's programs. The determination of whether or not an emergency exists is solely within the discretion of the District.

5.4 Officers and Committee Chairs

The District will be provided a roster of all Association committee members who are designated to function with the District's agencies or departments that provide recommendations to the District regarding the District's operations.

ARTICLE 6 EMPLOYMENT

The Board of Trustees shall employ persons for positions that are not academic positions. The Board shall classify all such employees and positions. The employees and positions shall be known as the classified service.

6.1 Pre-employment Activities (2 + 2 Meeting)

Prior to commencing the employment process for a position whose classification specification changes, and prior to declaring a classification as "vacant and not open", a committee composed of two (2) classified employees, appointed by the exclusive Bargaining Representative, and two (2) administrators, or one (1) administrator and one (1) department head, will meet to review the classification specification and salary range placement of the classification, and to recommend whether the position will be "vacant and open" or "vacant and not open" for recruitment.

6.2 Employment Activities

After a vacant position has been opened for recruitment, a "Notice of Vacant Position" will be posted about the campus identifying the position that is vacant, the salary and number of work hours, and a brief description of the job duties and minimum qualifications. A detailed classification specification will be provided in the employment packet that will be available in the Human Resources Office. The "Notice of Vacant Position" shall be posted and remain posted for at least five (5) work days. **(Also see Article 16, Transfer and Reassignment.)**

When the recruitment process has been completed, a formal screening/interview committee shall meet to screen applications and identify and interview applicants. This committee, inasmuch as possible, should be structured as follows.

- (1) Four (4) or six (6) members.
- (2) One-half of the members must be classified employees from the specific work area, or with similar job classifications, as the vacant position.
- (3) Either the direct supervisor or administrator from the specific work area.
- (4) One-half of the members of the committee must be of an ethnic minority.
- (5) One-half of the members of the committee must be of the female gender.

The screening/interview committee may be a mixture, when appropriate, of administrative, academic, classified, student, and community members. The screening/interview committee will recommend a slate of final candidate(s) qualified for appointment and forward their recommendations to the Human Resources Office.

6.3 Probationary Period

Newly appointed employees, or permanent employees who change classifications through the employment process, shall serve a probationary period of six (6) calendar

months or one hundred thirty (130) days of paid service, whichever is longer. Days of paid service shall include all days worked during the summer months. Probationary employees shall be evaluated by their immediate supervisor at the beginning of the third and fifth months of service. The evaluating supervisor shall review the performance evaluation with the probationary employee prior to submitting it to the Human Resources Office for filing. The employee, supervisor, and the Vice President shall sign the performance evaluation. Newly appointed probationary employees may be dismissed from service at the discretion of the Board of Trustees or designee. If the supervisor fails to evaluate the probationary employee at the beginning of the third and fifth months of service, the employee shall by default fulfill the probationary requirements.

If at any time during the period of probation a probationary employee resigns, abandons the position, or is terminated, a replacement will be selected from among those who originally applied for the position and had been interviewed if in the opinion of the supervisor, or the selection committee, there were other qualified candidates. If there were no other qualified candidates, the position will be reopened for applications.

6.4 Permanent Employee

A person who has served in a classification an initial probationary period of six (6) calendar months or one hundred thirty (130) days of paid service, whichever is longer, is termed a permanent employee of the classified service.

6.5 Probationary Period After Classification Change Through Hiring Process

A permanent employee of the classified service who changes classifications through the employment process must perform a probationary period in the new classification. An employee who is unable to successfully complete the probationary period, by meeting the performance standards of the new classification, shall be returned to his/her former position, or to a similar classification at the same salary range and step as the former position, without a loss in status or benefits.

6.6 Part-Time Employment

A part-time employee has a work schedule of fewer than eight (8) hours per day or less than forty (40) hours per week. The leave and benefits earned for less than full-time service shall be prorated using the relationship of the number of hours of part-time service to those of full-time service.

6.7 Nine (9) Month Employee

A nine (9) month employee begins the work period five (5) work days prior to the first day of classes for the Fall semester and works through the last service day of the academic year providing that the employee attains at least a minimum service status of nine (9) full months. These employees are paid at the established hourly rate for their

classification. Any nine (9) month employee not assigned regular pre-opening day duties will receive temporary assignment through the Human Resources Office.

Any nine (9) month employee not eligible for vacation and without sufficient compensatory time to cover non-service days between the Fall and Spring semesters will receive temporary assignment through the Human Resources Office if the campus is open for a normal work day.

6.8 Ten (10) Month Employee

A ten (10) month employee serves ten (10) of the twelve (12) calendar months of the year. Beginning and ending service dates are made by special arrangement and total service time shall not exceed ten (10) months. Any ten (10) month employee without accrued vacation or compensatory time to cover non-service between the Fall and Spring semesters will receive temporary assignment through the Human Resources Office if the campus is open for a normal work day.

6.9 Eleven (11) Month Employee

An eleven (11) month employee serves eleven (11) of the twelve (12) calendar months of the year. Beginning and ending service dates are made by special arrangement and total service time shall not exceed eleven (11) months. Any eleven (11) month employee without accrued vacation or compensatory time to cover non-service between the Fall and Spring semesters will receive temporary assignment through the Human Resources Office if the campus is open for a normal work day.

6.10 Twelve (12) Month Employee

Twelve (12) month employees with three or less years of service will be offered temporary assignment through the Human Resources Offices to fulfill their one year contract when accrued vacation is insufficient to cover non-service days.

6.11 Assignments at Times Other Than Regular Academic Year

For the purposes of this section every classified employee shall be deemed to be employed for twelve (12) months during each school year regardless of the number of months in which he/she is normally in paid status. Any community college district which, in any school year, maintains school sessions at times other than during the regular August - June academic year shall assign for service during such times regular classified employees of the district. When it is necessary to assign classified employees not regularly so assigned to serve between the end of one academic year and the commencement of another year, such assignment shall be made on the basis of qualifications for employment in each classification of service which is required. No classified employee whose regular yearly assignment for service excludes all, or any part of, the period between the end of the academic year in June to the beginning of the next academic year in August, shall be required to perform services during

such period. A classified employee shall, for service performed as herein provided, receive, on a pro rata basis, not less than the compensation and benefits which are applicable to that classification during the regular academic year. Education Code Section 88002.

During the Spring semester, the Human Resources Office will accept requests for summer employment from all less-than-twelve (12) month employees. Eligible employees may submit a written request for summer employment to Human Resources between the first (1st) day of April and the fifteenth (15) day of May of each year. Consideration for available positions will be based upon related job skills and rotation by seniority. The classified employees will have the right of first refusal for summer employment.

Employees wishing to change from one shift to another vacant shift within the same classification and job title shall submit the request in writing. Seniority will be utilized to fill the vacant shift, except when a bona fide occupational qualification exists (i.e., a female Custodian required for the women's locker room).

6.12 Reinstatement of Permanent Employees After Resignation

Any permanent classified employee who voluntarily resigns from his/her permanent classified position may be reinstated or re-employed by the governing board of the District, within thirty-nine (39) months after his/her last day of paid service and without further competitive examination, to a position in his/her former classification as a permanent or limited-term employee, or as a permanent or limited-term employee in a related lower class or a lower class in which the employee formerly had permanent status.

6.13 Union Representative

No later than January 15 of each school year, CSEA shall formally notify the District of the identity of the Union representatives (stewards) and two alternates who shall act on behalf of the Union and employees with reference to matters covered by this contract.

ARTICLE 7 PERFORMANCE EVALUATIONS

7.1 Evaluation Period

Performance evaluations are required for employees as follows:

- (1) Probationary employees shall be evaluated at the beginning of their third and fifth months of employment.
- (2) New permanent employees shall be evaluated during the months of February - April of their second year of employment and bi-annually thereafter.
- (3) Effective January 1, 2003, performance evaluations for permanent employees shall be conducted biannually during the months of February, March and April. Permanent employees shall review and sign their evaluation forms by April 30 before they are submitted to the Human Resources Office.

7.2 Evaluation Criteria

No performance evaluation shall be made based solely upon hearsay statements. Performance evaluations shall be based on the evaluator's personal observations and knowledge of the employee's job performance. Any negative performance evaluation shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendation made. Evaluators will discuss the performance evaluation with the employee being evaluated before it is placed in the employee's personnel record.

7.3 Employee Rights

An employee who has an evaluation mark or comment on the evaluation that is below satisfactory, or that indicates an area of weakness has the right to make written comments about the evaluation and have them included with the performance evaluation form.

All employees shall be given a copy of their completed and signed performance evaluation by the Human Resources Office before it is placed in their personnel record.

The employee's signature on this document means that the performance evaluation was discussed with the employee and the employee was given an opportunity to make comments on the ratings and recommendations given by the rating supervisor. The signature does not necessarily mean agreement with the evaluation.

7.4 Documentation

Performance appraisals for classified employees shall be documented using the Classified Employee Performance Appraisal form.

ARTICLE 8 SALARY

8.1 General

Unit members will be paid according to the salary schedule and regulations attached and included as EXHIBITS B and C.

8.2 New Employee Placement on the Salary Schedule

Appointees to a classification who meet the minimum qualifications for the classification will be placed at Step 1 on the current salary schedule.

Appointees to a classification who have one (1) or more years of verifiable experience above the minimum qualifications in a comparable classification may be placed at Step 2 on the current salary schedule.

Appointees to a classification who have two (2) or more years of verifiable experience above the minimum qualifications in a comparable classification may be placed at Step 3 on the current salary schedule.

Appointees may request a review of their placement on the salary schedule within six (6) months of their date of hire.

8.3 Anniversary Date

The anniversary date for permanent and temporary employees hired prior to July 1, 1982, shall be the first day of the month of employment.

For permanent and temporary employees hired on July 1, 1982, and thereafter, the anniversary date for employees hired between the first day of the month and the fifteenth day of the month shall be the first day of the month of employment.

For permanent and temporary employees hired on July 1, 1982, and thereafter, the anniversary date for employees hired on the sixteenth day of the month or thereafter shall be the first day of the month following the month of employment.

The anniversary date of an employee shall not change due to changes in employment status or job classification as long as there has been no more than a thirty (30) work day break in service between these changes.

8.4 Step Increases

Either through the employment process or a transfer, a classified employee will move to the new range or to a step that is at least 5% above the employee's current salary, not the same step held in the previous classification.

Effective July 1, 2005, step increases shall be implemented in July and January of each year. For those permanent employees whose anniversary dates are between July and December, the increase shall be implemented in July. For those permanent employees whose anniversary dates are between January and June, the increase shall be implemented in January.

By June 30th of a fiscal year, unit members who have used no more than three (3) days of sick leave in that fiscal year shall receive a bonus of two (2) days of vacation, unless the maximum vacation accrual has been reached (i.e., vacation “cap”).

12.3 Vacation Periods

12.3.1 Vacations may be taken by all unit members at any time during the year with the approval of the employee's immediate supervisor and the Director of Human Resources. In arranging the schedule of vacations, an attempt will be made to provide vacation time according to the employee's desires; however, the needs of the District shall receive first consideration in the scheduling of vacations.

12.3.2 If a Saturday, Sunday, or holiday listed in this Agreement falls within a scheduled vacation period, that day is not counted as a day of vacation.

12.3.3 Eleven (11) month employees are encouraged to take vacation annually during their contract service period.

12.3.4 Nine (9) and ten (10) month employees are not required to take vacation during their contract service period.

12.3.5 An employee may accrue and accumulate vacation up to an amount equal to the last school year's accrual plus the current school year's accrual after which no more vacation may be accrued until the unit member begins to utilize accumulated/accrued vacation. This process shall hereafter be referred to as a “cap” on vacation accrual.

12.4 Illness During Vacation

If an employee becomes seriously ill or is injured during a scheduled vacation period, the employee may submit a signed statement from a physician stating that the employee was unable to continue the vacation. The unused portion of the vacation may then be deducted from earned sick leave. The balance of the vacation may then be rescheduled.

12.5 Pay for Unused Vacation

Upon completion of their respective contract service periods, nine (9), ten (10), and eleven (11) month employees may receive payment, in lump sum, for up to a maximum of ten (10) days of accrued vacation.

The District agrees that regarding those workdays that occur during the Winter Break four (4) (in addition to those listed above) shall be paid holidays for members of the bargaining unit. The remaining days shall be taken as vacation, comp time, PN leave, or leave without pay.

All bargaining unit members shall be entitled to the paid holidays as listed or described above, and any day declared a holiday by the Board of Trustees, provided that the unit members were in a paid status during any portion of the workday immediately preceding or immediately succeeding the holiday.

See pages 10 and 11 for additional information regarding nine (9), ten (10), eleven (11), and twelve (12) month employees.

The District and the Association agree to comply with the provisions of Education Code Section 88205 relating to in-lieu holidays and Section 88206 relating to substitute holidays.

ARTICLE 14 SPRING BREAK

The District and the Association agree to the following conditions for all unit members during Spring Break:

The Monday, Tuesday, and Wednesday following Easter Sunday shall be designated as paid holidays for the classified bargaining unit members.

The remaining two (2) days of the Spring recess following Easter Sunday shall be taken as vacation, comp time, PN leave, or leave without pay by the classified staff.

ARTICLE 15 HOURS, OVERTIME, OTHER CONDITIONS

15.1 Workday and Workweek

The regular workweek of a full-time employee in the bargaining unit shall be forty (40) hours and shall consist of five (5) consecutive days of eight (8) hours per day.

15.2 Rest Periods

Each full-time bargaining unit employee shall be granted two (2) fifteen (15) minute rest periods each workday. Rest periods will be taken as nearly as possible to the midpoint of the morning work period and as nearly as possible to the midpoint of the afternoon work period. Rest periods are part of the regular work shift, and compensation for that period of time shall be at the regular rate of pay of the employee. Employees are encouraged to take their rest periods away from their work sites.

15.3 Lunch Periods

Each full-time bargaining unit employee shall be granted a duty-free lunch period of no more than sixty (60) minutes nor fewer than thirty (30) minutes each workday which should be taken as nearly as possible to the midpoint of the workday. Employees are encouraged to take their lunch periods away from their work sites. Prior approval from the immediate supervisor should be obtained for any deviation from the above.

15.4 Call Back

An employee in the bargaining unit who is called in to work on a day when that employee is not scheduled to work, or is called back to work after completion of that employee's regular assigned shift, shall be compensated for at least four (4) hours of work at the appropriate rate of pay under this Agreement, even if the employee is required to work a lesser amount of time than the four (4) hours.

An employee in the bargaining unit who is assigned to come back to work after that employee has completed the regular assigned shift, and a time has lapsed of at least one hour, shall be compensated for at least two (2) hours of work at the appropriate rate of pay, even if the employee is required to work a lesser amount of time than the two (2) hours.

15.5 Working Out of Classification

No permanent employee shall be required to work out of classification for more than five (5) consecutive days. A permanent employee who is assigned to work out of classification for more than five (5) consecutive work days shall be paid for such work in either of the following ways, whichever produces a higher salary for the employee.

- (1) The employee will receive differential pay of five percent (5%) more than the employee's regular salary; or
- (2) The employee will receive differential pay of fifty percent (50%) of the difference between the salaries of the two (2) involved positions at the same steps.

An employee who has worked out of classification for more than five (5) consecutive work days may initiate a request for a higher salary range to the appropriate supervisor and the Director of Human Resources. Such differential pay shall be paid for the entire time the employee works out of classification.

The maximum duration an employee shall be required to work out of classification thirty (30) consecutive work days, at which time the employee shall return to his/her regular position and salary.

If the need to have an employee continue working out of classification exists, and if the employee wishes to do so, he/she may initiate a temporary reassignment. The temporary assignment shall be for a maximum term of thirty (30) consecutive work days. A temporary assignment will not be allowed if the position assigned to is a nine (9) or ten (10) month position and less than thirty (30) days remain in the school year.

If the employee is filling in for someone in a higher classification, who is on vacation and/or extended leave, the employee shall be paid out-of-class pay for assumption of all duties and/or prorated pay for assumption of partial duties. At no time shall the out-of-class pay be less than a five percent (5%) increase for the duration of the out-of-class work. The Director of Human Resources will make the prorated calculation.

15.6 Overtime for Part-Time Employees

The parties agree that Education Code Section 88030 shall apply to those unit members who have an average workday of less than four (4) hours during a workweek.

15.7 Benefits for Part-Time Employees

Classified employees who work a minimum of thirty (30) minutes per day in excess of their part-time assignment for a period of twenty (20) consecutive work days or more shall have their basic assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis as specified in Education Code 88035.

15.8 Overtime

"Overtime" is defined as any time required to be worked, assigned by the District, which is in excess of eight (8) hours in any one (1) workday and/or in excess of forty (40) hours in any one (1) calendar week, or as defined in Education Code 88027.

For the purpose of computing the number of hours worked in the paragraph directly above, time during which an employee is excused from work because of holidays, sick leave, vacation, compensatory time off, or other paid leaves of absence, shall be considered as time worked by the employee.

An employee who performs assigned overtime work shall be compensated at a rate of pay which is equal to one and one-half (1½) times the employee's regular rate of pay, or shall be granted compensatory time off at the rate of one and one-half (1½) hours for each overtime hour worked, whichever is selected by the employee.

15.9 Compensatory Time Off

Compensatory time off shall be taken within twelve (12) calendar months following the month in which overtime was worked.

Compensatory time off shall be taken at a time that is approved by the individual employee's immediate supervisor. The immediate supervisor will attempt to arrange for compensatory time off to be taken according to the unit member's preferences, but the needs of the District shall receive first consideration.

No more than fifteen (15) days of compensatory time off shall be accumulated by a member of the bargaining unit.

In the event that the immediate supervisor feels it is necessary for an employee to work additional hours beyond the fifteen (15) days, they must receive written approval from the Director of Human Resources in advance. If there is not sufficient time to receive written approval, the supervisor may contact the Director of Human Resources by phone with a follow up in writing. If the Director of Human Resources is not available, the supervisor may contact the appropriate Vice President in charge.

In lieu of compensatory time off, an employee may receive payment for unused, accumulated compensatory time credited to them. In order to receive such payment, an employee must submit a written request for payment to the Human Resources Office by no later than 5:00 p.m. on the last day of the academic school year.

15.10 Holiday Pay

A bargaining unit member who is required to work on a holiday designated in this Agreement shall be compensated at the employee's regular rate of pay plus one and one-half (1½) times the employee's regular rate of pay.

15.11 Night Shift Differential

Unit members whose regularly scheduled work shifts occur entirely or partly between the hours of 5:00 p.m. and 6:00 a.m. shall be paid a ten (10) percent night shift differential for any hours worked during that time period.

Upon the changeover to summer hours, the night shift differential shall begin at 4:30 p.m.

15.12 Notification of Shift Change

Employees wishing to change from one shift to another vacant shift within the same classification and job title shall submit the request in writing.

Seniority will be utilized to fill the vacant shift, except when a bona fide occupational qualification exists (i.e., a female Custodian required for the women's locker room).

Except in an emergency situation, unit members and the Association will be notified in writing at least five (5) work days prior to a shift or working hour change.

15.13 Conference Travel

Employees shall be compensated the equivalent of the employee's regular work day for approved non-mandated conference travel.

ARTICLE 16 TRANSFER AND REASSIGNMENT

16.1 Definitions

A "transfer" is defined as the relocation of a unit member from one work-site in the District to another work-site in the District.

A "reassignment" is defined as the assignment of a unit member from one job classification or position in the bargaining unit to another job classification or position.

A "permanent" transfer or reassignment is made when a unit member is transferred or reassigned on a permanent basis.

A "temporary" transfer or reassignment is made when a unit member is transferred or reassigned for a specific period of time.

A "District" transfer or reassignment is made when a unit member is temporarily or permanently transferred or reassigned in accordance with a request initiated by a unit member's immediate supervisor or a supervising administrator to adjust for work coverage, to meet the need for special job skill requirements, or to alleviate special work-related problems.

A "voluntary" transfer or reassignment is made upon the District's approval of a unit member's request for voluntary transfer or reassignment. In a voluntary transfer or reassignment, a unit member is permanently transferred or reassigned to a classification whose salary range and step is equal to or lower than the range and step of the unit member's current classification (i.e., lateral or downward movement on the classified salary schedule).

The number of months that a permanent 10-month or 11-month classified employee works does not preclude a voluntary transfer to a lateral or lower transfer from a 10-month to a 12-month assignment.

16.2 Criteria

In all instances, the Superintendent/President, or designee, shall transfer or reassign unit members based on the needs of the District.

Unit members permanently transferred or reassigned under either a District or voluntary transfer or reassignment shall not serve a probationary period, as such term is defined under Article 6.3.

Criteria for District Transfer or Reassignment

The transfer or reassignment of unit members shall not be used to supplant the classified hiring process or to punish or discipline employees.

Under a District transfer or reassignment, a unit member will suffer no loss of salary, seniority, or benefits and must meet the minimum qualifications of the new classification or position.

In all instances, every effort will be made to transfer or reassign unit members within the same or comparable job classifications and salary ranges.

If it is necessary to reassign unit members into a job classification with a salary range that is lower than their present job classification, the employee will continue to be compensated at the higher salary range and step. The salary of the reassigned employee will be frozen at the higher range and step until the lower salary range increases to an equivalent value.

If it is necessary to reassign unit members into a job classification with a salary range that is higher than their present job classification, the employee will be compensated at the higher salary.

Criteria for Voluntary Transfer or Reassignment

Unit members must meet the minimum qualifications of the classification or position requested.

A unit member's seniority will not be affected. His/her salary will be based on the new classification's range and the unit member's current step on the classified salary schedule.

Unit members will receive the benefits available to the classification requested.

16.3 Procedure

Procedure for District Transfer or Assignment

A request for permanent or temporary transfer or reassignment may be initiated by a unit member's immediate supervisor or a supervising administrator.

The permanent or temporary transfer or reassignment of unit members shall be made by completing and processing the Transfer or Reassignment form.

In the event of a permanent or temporary transfer or reassignment, the affected unit member and the exclusive representative shall have received written notification of such

action from the Director of Human Resources at least ten (10) work days prior to the effective date of the transfer or reassignment.

A unit member has the right to appeal the transfer or reassignment to the Director of Human Resources within the ten (10) work day period prior to the effective date of the transfer or reassignment.

In the event of a temporary transfer, the affected unit member will be provided with transportation or reimbursed at the prevailing District rate for additional mileage incurred as a result of the transfer for the duration of the temporary transfer.

Procedure for Voluntary Transfer or Reassignment

Unit members may request a voluntary transfer or reassignment by completing the Request for Voluntary Transfer or Reassignment form.

All requests for voluntary transfer or reassignment will be evaluated based upon unit members' qualifications and the needs of the District. In all instances a unit member will be notified of the disposition of his/her request within forty-eight (48) hours of a final determination.

The affected unit member and exclusive representative shall have received written notification of such action from the Director of Human Resources at least ten (10) work days prior to the effective date of the transfer or reassignment.

ARTICLE 17 LAYOFFS

Layoffs of unit members shall take place because of lack of funds or lack of work and shall be in accordance with the provisions of this Article and pertinent Education Code Sections.

17.1 Definitions

"Layoff for lack of funds or layoff for lack of work" includes any reduction in hours of employment or assignment to a class or grade lower than that in which the employee has permanence, voluntarily consented to by the employee, in order to avoid interruption of employment by layoff.

"Classification" shall be as the word is defined in Education Code Section 88001(a).

"Length of service" shall mean all hours in paid status, whether during the school year, a holiday, recess, or during any period that the College was in session or closed commencing or continuing after July 1, 1971, but does not include any hours compensated solely on an overtime basis as provided for in Education Code Section 88027. Any time served by an employee prior to July 1, 1971, shall be computed by crediting two thousand and eighty (2,080) hours for each year of service with the District whether that service was full-time or part-time.

"Hours in paid status" shall mean service with the District by an employee performed while that employee was in probationary or permanent status.

An "affected reassigned employee" is defined as an employee of the District who has been laid off under this Article but who has been voluntarily reassigned in order to avoid interruption of employment by layoff and thereby becomes subject to the thirty-nine (39) month re-employment provisions of the Education Code and this Article. Such a person is required, in writing, to attest to the fact that she or he voluntarily accepts the reassignment.

An "affected person" is defined as a former employee of the District who has been, or shortly will be, laid off under this Article and thereby becomes subject to the thirty-nine (39) month re-employment provisions of the Education Code and this Article.

"Lower included classifications" are those classifications that have duties and/or minimum qualifications that are included or encompassed in the duties and/or minimum qualifications designated for the senior employee's classification and in accordance with EXHIBIT C.

"PERS" means the California Public Employees' Retirement System.

17.2 Notice of Layoffs

The Director of Human Resources shall inform the President of the Association or designee of the impending layoff(s) by certified mail or by hand delivery no fewer than five (5) work days prior to issuance of any layoff notice(s).

An employee who is to be laid off shall be notified of the impending action by certified mail sent to the most recent address provided to the District by the employee or in person by the Director of Human Resources or designee at least forty-five (45) calendar days prior to the effective date of layoff.

The Notification of Layoff shall contain the effective date, the reason, reassignment rights, if any, re-employment rights and an Employee Response Form.

Within five (5) work days of the date the employee signs the certified mail receipt, the employee is required to file with the Human Resources Office the signed, dated, and completed Employee Response Form which indicates whether or not the employee desires to exercise reassignment rights.

A copy of the Employee Response Form shall be forwarded to the President of the Association within one (1) work day after the Director of Human Resources receives the completed form.

Failure to provide written notice under the provisions of this section shall invalidate the layoff. In addition, failure to follow proper procedures shall be considered an improper layoff. An employee who is improperly laid off shall be re-employed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.

17.3 Order Of Layoffs

The order of layoffs within a classification shall be determined by length of service with the District. The employee who has been employed the shortest time in the classification, plus higher classifications, shall be laid off first. Re-employment shall be in the reverse order of layoff.

In the event two (2) or more employees who are to be laid off have the same length of service, the order of layoff of such employees shall be determined by lot.

Length of service credit for time spent on military leave of absence, unpaid illness leave, unpaid industrial accident or illness leave, unpaid medical leave, or any approved unpaid personal leave shall be granted.

When reclassification results either in a merger of two or more classes or the separation of a class into two or more classes, seniority rights of unit employees who are classified

within the new class shall be computed from the date of their earliest entrance into regular service in the original class.

17.4 Alternatives To Layoff

Employees who are to be laid off may be able to exercise one (1) of the following options in lieu of layoff:

- (1) displace the least senior employee in the same classification or in a lower included classification in which case they shall become an affected reassigned employee;
- (2) retire under provisions of the laws and regulations pertaining to retirement under PERS; or
- (3) apply for any vacant position in the District for which they are qualified; or
- (4) exercise transfer/reassignment rights under Article 16.

Employees who take voluntary demotions or reclassification in lieu of layoff shall be granted the same rights as persons laid off and shall retain eligibility to be considered for re-employment for an additional period of up to twenty-four (24) months; provided, that the same tests of fitness under which they qualified for appointment to the class shall still apply. The Director of Human Resources shall make the determination of the specific period of eligibility for re-employment on a class-by-class basis. Education Code Section 88117.

Employees who take voluntary demotions or reclassifications in lieu of layoff shall be, at the option of the employee, returned to a position in their former classification or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid re-employment list, they shall be ranked on that list in accordance with their proper seniority. Education Code Section 88117.

17.5 Displacement Procedure

An employee who is to be laid off has so-called "bumping rights" over another employee in the same classification who has been employed the shortest period of time in accordance with Education Code Section 88127 and the procedure that follows.

- (1) An employee who has been notified that he/she will be laid off has the right to displace the most junior employee in his/her classification, or in a like or similar classification.

- (2) If this cannot be accomplished, an employee who has been notified that he/she will be laid off has the right to displace the most junior employee in an equal or lower classification in which the senior employee has served previously.
- (3) If neither of the above are possible, an employee who has been notified that he/she will be laid off has the right to displace the most junior employee in lower included classifications.

17.6 Re-employment Rights

Affected persons and affected reassigned employees who have been laid off under this Article and pertinent Education Code Sections shall be re-employed by the District, if that is possible, in the reverse order of layoff, in accordance with Education Code Sections 88014, 88015, 88017, 88117 and 88127, and shall be subject to the provisions and/or conditions described directly below.

An affected person shall be required, on a continuing basis during the thirty-nine (39) month re-employment period, to notify in writing the Human Resources Office of his/her current address.

If a position in a classification for which the affected person has seniority and is qualified becomes available during the thirty-nine (39) month re-employment period following layoff, the Director of Human Resources will send a written notice by certified mail to that person at the current address offering that person re-employment in the position.

An affected person who receives such an offer of re-employment from the District has three (3) alternatives:

- (1) accept the offer in writing;
- (2) not respond to the offer within ten (10) working days in which case the offer becomes null and void; and,
- (3) reject the offer in writing.

Should the offer be accepted, the affected person shall have up to thirty (30) calendar days from the postmark of the offer of re-employment in which to report to work though he or she may do so earlier than the thirty (30) calendar day maximum.

Should the offer be rejected, such a rejection shall not jeopardize the affected person's re-employment rights during the remainder of the thirty-nine (39) month re-employment period.

17.7 Insurance Provisions

Affected persons shall continue to receive for up to, but for no more than, three (3) months following the date of layoff, the hospital, medical, dental, and vision insurance benefits they were receiving when they were laid off so long as they comply with the conditions described directly below.

- (1) Affected persons are required to notify, in writing, the Director of Human Resources of their continued eligibility for insurance coverage exactly thirty (30), sixty (60) and ninety (90) calendar days following the date of layoff except in either of the two (2) instances described directly below.
- (2) If an affected person accepts employment outside of the District, or if that person is covered by hospital, medical (including prescription card), dental, vision, or life insurance not provided by the District, then the insurance coverage provided by the District shall cease immediately.

17.8 Accrued Vacation/Compensatory Time

Affected persons are entitled to earned vacation and/or compensatory time off credit under the conditions described directly below.

- (1) An affected person may decide to receive monetary compensation for earned vacation and/or compensatory time off credit. Such monetary compensation shall be paid to the affected person on the next regularly scheduled payroll date following the date of layoff of the affected person.
- (2) If an affected person decides to take earned vacation and/or compensatory time off credit instead of compensation, he or she shall begin using any earned vacation and/or compensatory time off the workday immediately following the date of layoff. The District may not require an affected person to use earned vacation and/or compensatory time off during the thirty (30) calendar day notification period.
- (3) Previously scheduled vacations of affected persons shall be canceled.

17.9 Seniority

During the thirty-nine (39) month re-employment period, no affected person shall earn seniority credit or accrue vacation, sick leave, or holiday benefits.

However, the seniority of an affected person shall remain throughout the thirty-nine (39) month re-employment period at the status it was on the date of layoff.

The District shall maintain a current listing of all unit members and affected persons, which indicates date-of-hire seniority and classification seniority. A copy of this listing shall be sent to the CSEA President each June 30th and within twenty-four (24) hours after request.

17.10 Substitutes

At no time can voluntary help, non-bargaining unit employees, certificated employees, contract services, or work study students replace a classified employee who has been laid off due to lack of work or lack of funds. If this is done, the classified employee who has been laid off will immediately be re-employed in their former job classification with no loss of salary or benefits.

17.11 Miscellaneous

The District will notify affected persons and affected reassigned employees by certified mail or other means of delivery that ensures notification to the affected persons or affected reassigned employees and a receipt for delivery of all vacancies. If an affected person or an affected reassigned employee qualifies for the vacancy, the affected individual will be eligible to fill that vacancy without further examination. Eligibility will be determined by experience in lower included classifications or by ability to meet minimum qualifications for the vacancy.

ARTICLE 18 GRIEVANCE PROCEDURE

18.1 Purpose

The purpose of this procedure is to provide an orderly method of resolving grievances, as promptly as possible, that may arise under the terms and conditions of this Agreement.

ARTICLE 19

DISCIPLINARY PROCEDURE

19.1 Introduction

Any employee designated as a permanent employee shall be subject to disciplinary action for cause as prescribed by rules or regulations of the governing board, but the governing board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two years preceding the date of filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the employing district.

An employee receiving a disciplinary action shall have the right to the presence of a representative of his/her choice at all times during these proceedings.

19.2 Definitions

For the purposes of this article, the following definitions apply:

- 19.2.1** "**Progressive discipline**" is the process of changing an employee's behavior through the application of a series of actions that become progressively more severe in nature. However, the sequence and severity of the disciplinary actions may vary depending on the seriousness of the offense and circumstances surrounding it.
- 19.2.2** "**Discipline (disciplinary action)**" is the action or actions taken to change the behavior of employees who fail to follow established rules and regulations, or to meet job performance standards. It is a form of training designed to correct undesirable conduct and encourage the development of self-control. Excepting an action for dismissal, the paramount objective of discipline is not to punish employees by penalizing them for past violations but to change their behavior by making them responsible for their future actions. Disciplinary actions, for the purposes of hearing rights are defined as suspension, demotion, or dismissal.
- 19.2.3** A "**verbal warning**" may be given for a specific behavior that violates District policy, a failure to obey the lawful orders of a supervisor/administrator, any conduct specified under the Dismissal For Cause section of this article, or when circumstances or events occur that makes it necessary for this action to be taken. A verbal warning may be given to an employee by the employee's supervisor, department head/Vice President, or the Chief Human Resource Officer.

Verbal warnings are not punitive in nature. They are notices to an employee that he/she has violated a rule or regulation and must change his/her behavior in such a way

that he/she will not violate the rule or regulation again.

Verbal warnings shall be documented on the Verbal Warning/Written Reprimand Documentation Form.

19.2.4 A "**written reprimand**" is given for the same behavior(s) as a verbal warning and is used when a verbal warning has not affected the appropriate behavioral response on the part of the employee within a reasonable period of time. A written reprimand may be given to the employee by the employee's supervisor, department head/Vice President, or the Chief Human Resource Officer.

Additionally, a written reprimand may be issued when an employee commits a specific act that is of a nature that a verbal warning is deemed to be an insufficient or inappropriate action for the seriousness of the act committed.

Written reprimands shall be documented on the Verbal Warning/Written Reprimand Documentation Form.

19.2.5 "**Suspension**" is an enforced absence, with or without pay, for not more than thirty (30) working days. An employee may be suspended pending the investigation of charges.

19.2.6 "**Demotion**" is an enforced reduction to a lower classification.

19.2.7 "**Dismissal**" is termination from employment for just cause.

Suspension, demotion, or dismissals shall be documented on the Disciplinary Suspension, Demotion, or Dismissal Form.

19.3 Progressive Discipline Procedure

19.3.1 **Disciplinary actions taken against a permanent classified employee must be progressive in nature.** Only in those cases where an employee's conduct includes the activities specified in the Dismissal For Cause section of this article may disciplinary action be taken without a prior attempt to effect appropriate behavioral change in the employee.

19.3.2 **Progressive discipline shall include the following steps:**

(1) Pre- Disciplinary Counseling

Within ten (10) work days of the occurrence of the inappropriate behavior, the supervisor and employee will meet to discuss the employee's behavior. The discussion focuses on actions that the employee must take to bring his/her behavior in line with established rules and regulations and/or expectation standards of job performance.

(2) Verbal Warning

If the inappropriate behavior continues, within ten (10) work days after the repeated occurrence, the supervisor may give the employee a verbal warning. The verbal warning must specify the reasons for the disciplinary action and the corrective actions the employee must take in making an appropriate behavioral change. The supervisor meets with the employee to discuss his/her inappropriate behavior and completes a Verbal Warning Documentation Form.

This document is forwarded to the Chief Human Resource Officer to be placed in a sealed envelope in the employee's personnel file and a copy given to the employee. The employee shall be given five (5) business days after receipt of the Verbal Warning Documentation Form to prepare a written response/rebuttal which shall be placed in the personnel file. If no further disciplinary action is required, all record of the verbal warning and the response/rebuttal shall be destroyed two years after its date of issue.

(3) Written Reprimand

If the employee has received one (1) or more verbal warnings and his/her behavior continues to be inappropriate, or if he/she commits an act considered to be of a serious nature, the employee may be given a written reprimand. The written reprimand must specify the reasons for the disciplinary action and the corrective actions the employee must take in making the appropriate behavioral change. Within two (2) work days a Written Reprimand Documentation Form will be completed and forwarded to the Chief Human Resource Officer to be placed in a sealed envelope in the employee's personnel file with a copy given to the employee. The employee shall be given five (5) business days after receipt of the Written Reprimand Documentation Form to prepare a written response/rebuttal which shall be placed in the personnel file. If no further disciplinary actions are initiated within a three (3) year period, disciplinary action documents, including the response/rebuttal shall be purged from the employee's personnel file and destroyed.

(4) Suspension, Demotion or Dismissal

If the employee has received one (1) or more written reprimands and his/her behavior continues to be inappropriate, or if he/she commits an act considered to be of a serious nature, the employee may be suspended, demoted, or dismissed. No permanent classified employee shall be terminated for reasons of substandard job performance without first being notified of the specific job duties that need to be improved and then given adequate time to make these improvements. The employee and his/her supervisor shall develop a written plan describing the specific actions the employee must take to bring his/her job performance up to acceptable standards.

Forty-five (45) work days after the plan is put into action, the employee and supervisor will meet to discuss the employee's progress toward meeting performance standards. If the employee fails to meet performance standards after this period, he/she shall be given appropriate disciplinary action. If no further disciplinary actions are initiated within a three (3) year period, disciplinary action documents shall be purged from the employee's personnel file and destroyed, unless otherwise required by law.

4. In the event the Board of Trustees makes a final decision to modify or reverse the initial action taken by the District and the discipline has already been imposed, the employee shall be entitled to such make-whole relief as the Board of Trustees deems appropriate.
5. A copy of the written decision by the Board of Trustees shall be sent to the employee and his/her representative no later than five (5) working days after it is adopted. The decision shall include findings of fact and determination of issues by the Board.

Resolution No. 13019: **NEGOTIATIONS AGREEMENT BETWEEN THE DISTRICT AND CSEA CHAPTER 472**

BE IT RESOLVED that the Board approves the negotiated Agreement for 2003-2004 between the Imperial Community College District and CSEA Chapter 472 as follows:

1. Salary:

a) No salary increase for fiscal year 2003–2004.

b) A 5% on-schedule salary increase effective July 1, 2004.

c) Effective July 1, 2005, the District shall use future COLA monies received from the state for salary increases for IVC employees in at least the same proportion as salaries are represented in the total apportionment funds. For example, if salaries represent 80% (eighty percent) of our total revenue apportionment for the year and a 3% (three percent) COLA is granted, then at least 80% of the 3% COLA must be used for salary increases.

2. Effective July 1, 2004, add step L to the longevity steps of the Classified Salary Schedule so that an employee shall receive a 5% increase in salary at the beginning of the 26th year of service.

3. Maintain total health insurance benefits at the current level for classified employees and retirees hired prior to July 1, 2004.

4. Add a new subparagraph (4) to Article 10.2: (4) Classified employees hired after July 1, 2004, will not be eligible for the health insurance benefits provided under Article 10.2 after the age of 65.

5. Replace the existing subparagraph (4) of Article 10.3 with the language below, and renumber the existing subparagraph (4) as subparagraph (5):

(4) Classified employees hired after July 1, 2004, will not be eligible for the health insurance benefits provided under Article 10.3 after the age of 65.

6. Revise Article 11.9, Bereavement Leave, to include “stepparent” and “stepchild” in the definition of “member of the immediate family.”

7. Revise Article 11.19, Catastrophic Leave Pool Program, to allow faculty and administrators to donate eligible leave credits of no less than eight hours and no more than 24 hours to the pool per fiscal year, but not be eligible to utilize the pool.

8. Revise Article 20, Professional Growth Program, as reflected in Attachment A.
9. Delete the following language from Article 13, Holidays (including examples): “Any future salary schedule increases which cumulatively exceed the COLA will result in the reduction in the number of paid holidays at a ratio of one (1) holiday for each cumulative 5% salary increase over COLA until the number of remaining holidays have reached 16.”
10. Revise Article 17.2, Notice of Layoffs, to extend the 30-day layoff notice to 45 days, in accordance with current law, and to add the following language to Article 17.3, Order of Layoffs: more classes or the separation of a class into two or more classes, seniority rights of unit employees who are classified within the new class shall be computed from the date of their earliest entrance into regular service in the original class.”
11. Golden Handshake: add two years of service, as a retirement incentive, for fiscal years 2003–2004 and 2004–2005.

Resolution No. 13070: **MEMORANDUM OF UNDERSTANDING**
