F. New Discussion and Information Items

1. +/- Grading—Eric Lehtonen

President Lehtonen initiated a discussion regarding the possibility of instituting the option to give + and – grades in addition to the current letter grading system. He further stated that he intended to use discussion and feedback from senators and faculty, in addition to research of other California community college grading practices, to determine whether or not to generate action by the Senate on this issue.

Discussion ensued including concerns regarding the ramifications of a “C-” grade; a dual grade system (i.e.: A/AB/B/BC/C/CD/D/DF/F); whether or not there are sound pedagogical reasons for instituting any such change; whether or not the students would actually benefit from any such change; and whether or not the any such change would have negative or positive effects on student motivation.

2. Academic Senate Election Process—Frank Rapp

Secretary Frank Rapp officially announced that in accordance with the Senate By-Laws the general election for three (3) At-Large Senators for terms beginning 1 July 2014 and ending 30 June 2017 would be held before the eighth week of the Spring 2014 and that he would make requests to division deans to select division representatives for the 2014-2015 Academic

Senate, said division representatives to be determined before the end of the eighth week of the Spring 2014 semester.

4. Academic Senate Fund Raiser—Eric Lehtonen

President Lehtonen informed the Senate that his personal resolve on this issue was to improve both the fund raising process and the results of said fund raising from the previous years of his Senate presidency. He further stated that he was disappointed both in his own prior lack of such resolve and in ridicule of the Senate's focus on and results of fund raising.
