

Imperial Valley College
Agriculture Advisory Committee Meeting

Tuesday 10/4/2016 4:30 PM

Agenda

1. Overview of the agriculture program at IVC
2. Suggestions by industry representatives on the technical and professional skills needed at Imperial Valley and beyond
3. Determining suitable placement (internships, work-study, cooperative learning, supervised agricultural experiences -SAE projects, research and other partnerships) for agriculture major students.
4. New courses and program(s) in agriculture
5. Sponsorship and possible ways of fund-raising for scholarships and/or instructional equipment
6. Identifying other programs/departments at IVC that can work with agriculture program to enhance multidisciplinary approach in teaching agriculture
7. Ideas and proposals on installation of sprinkler irrigation system for instructional projects in our 10-acre farm
8. Any others business.
