## **LEGAL AUTHORITY**

California community colleges are mandated by the California Code of Regulations Title 5, section 53003(a); and the California Education Code, section 87100 to develop and implement an Equal Employment Opportunity Plan.

## **CALIFORNIA CODE OF REGULATIONS TITLE 5, SECTION 53003(A) – DISTRICT PLAN**

The governing board of each community college district shall develop and adopt a district-wide written equal employment opportunity plan to implement its equal employment opportunity program. Such plans shall be submitted to the State Chancellor's Office. The Chancellor's Office retains the authority to review district plans on a case-by-case basis.

## **CALIFORNIA EDUCATION CODE, SECTION 87100 LEGISLATIVE FINDS & DECLARATIONS**

(a) The Legislature finds and declares all the following:

- (1) In fulfilling its mission within California's system of public higher education, the California community colleges are committed to academic excellence and to providing all students with the opportunity to succeed in their chosen educational pursuits.
- (2) Academic excellence can best be sustained in a climate of acceptance and with the inclusion of persons from a wide variety of backgrounds and preparations to provide service to an increasingly diverse student population.
- (3) A workforce that is continually responsive to the needs of a diverse student population may be achieved by ensuring that all persons receive an equal opportunity to compete for employment and promotion within the community college districts and by eliminating barriers to equal employment opportunity.

(b) It is the intent of the Legislature to establish and maintain within the California community college districts a policy of equal opportunity in employment for all persons, and to prohibit discrimination or preferential treatment based on ethnic group identification, or on any basis listed in subdivision (a) of section 12940 of the Government Code, as those bases are defined in sections 12926 and 12936.1 of the Government Code, except as otherwise provided in section 12940 of the Government Code. Every aspect of personnel policy and practice of the community college districts should advance the realization of inclusion through a continuing program of equal employment opportunity.

(c) The Legislature recognizes that it is not enough to proclaim that community college districts must not discriminate and must not grant preferential treatment on impermissible bases. The Legislature declares that efforts must also be made to build a community in which non-discrimination and equal opportunity are realized. It is the intent of the Legislature to require community college districts to adopt and implement programs and plans for ensuring equal employment opportunity in their employment practices.

## **TITLE 5, SECTION 53026 COMPLAINTS – VIOLATION OF EQUAL EMPLOYMENT OPPORTUNITY REGULATIONS**

Each community college district shall establish a process permitting any person to file a complaint alleging that the requirements of this subchapter have been violated. A copy of the complaint shall immediately be forwarded to the Chancellor, who may require the district provide a written investigative report within ninety (90) days. Complaints that also allege discrimination prohibited by Government Code sections 11135 et seq. shall be processed according to the procedures set forth in subchapter 5 (commencing with section 59300) of Chapter 10 of this division.

### **Plan Component 1: Introduction**

The Imperial Community College District Equal Employment Opportunity Plan (“EEO Plan”) was adopted by the governing board on May 16, 2018. The Plan reflects the district’s commitment to equal employment opportunity and its recognition that a diverse and inclusive workforce serves the educational mission of the District to prepare students for success in a global society.

The EEO Plan provides the process that the District will use to promote equal employment opportunity and diversity in its recruitment and hiring policies and practices (AP 7120), in conformance with the applicable title 5 regulations (section 53000 et seq.). The EEO Plan is intended to foster a working and learning environment that promotes diversity, inclusion, and equal employment opportunities. To properly serve a growing diverse population, the EEO Plan also reflects the District’s commitment to hire and retain faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing and diverse student body and community it serves.

The Imperial Community College is committed to implementing Board Policy 3420, by developing and maintaining equal employment opportunity and diversity throughout the district as set out in this Equal Employment Opportunity Plan (hereinafter referred to as the “Plan” or the “EEO Plan”).

## Plan Component 2: Definitions

CCR, Title 5, § 53001

**Adverse Impact:** a statistical measure (such as those outlined in the U.S. Equal Employment Opportunity Commission’s *Uniform Guidelines on Employee Selection Procedures*) that is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in each selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

**Chief Human Resources Officer, (Office of Diversity, Equity and Inclusion):** The person who is responsible for the day-to-day implementation of the Plan.

**Diversity:** a condition of broad inclusion in an employment environment that offers equality and respect for all persons. A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by race, ethnicity, sexual orientation, gender identity and expression, disability or genetic information, age (40 or older), national origin, religion, socioeconomic status, geographic region, life experiences and other enriching characteristics.

**Equal Employment Opportunity:** “Equal employment opportunity” means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the district. Equal employment opportunity should exist at all levels in the seven job categories which include executive/administrative/managerial, faculty and other instructional staff, professional nonfaculty, secretarial/clerical, technical and paraprofessional, skilled crafts, and service and maintenance. Equal employment opportunity also involves: identifying and eliminating barriers to employment that are not job related; and creating an environment which fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination pursuant to Government Code section 12940.

**Equal Employment Opportunity and Diversity Advisory Committee:** acts as an advisory body to the Chief Human Resources Officer and the District to promote understanding and support of EEO policies and procedures.

**Equal Employment Opportunity Plan:** a written document in which a district’s workforce is analyzed; specific plans, procedures, and goals are set forth for ensuring equal employment opportunity.

**Equal Employment Opportunity Policy Statement:** statement by the Board confirming its commitment to EEO.

**Equal Employment Opportunity Program:** all the various methods and strategies by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with requirements of section 53006.

**Ethnic Minorities:** Native Americans or Alaskan natives, Asians or Pacific Islanders, Black/African-Americans, Hispanics/Latinos.

**Ethnic Group Identification:** “ethnic group identification” means an individual’s identification in one or more of the ethnic groups reported to the Chancellor pursuant to section 53004.

**In-house or Promotional Only Hiring:** only existing district employees can apply for a position.

**Monitored Group:** those groups identified in section 53004 subdivision (b) for which monitoring, and reporting is required pursuant to section 53004 subdivision (a).

**Person with a Disability:** any person who (1) has a physical or mental impairment as defined in Government code, section 12926 which limits one or more of such person’s major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is “limited” if the condition makes the achievement of the major life activity difficult.

**Reasonable Accommodation:** the efforts made on the part of the district to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. “Reasonable accommodations” may include the items designated in section 53025.

**Screening or Selection Procedures:** any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.

**Significantly Underrepresented Group:** any monitored group for which the percentage of persons from that group employed by the district in any job category listed in section 53004 subdivision (a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

### **Plan Component 3: EEO & Nondiscrimination in Employment Policy Statement (Board Policy 3420)**

CCR, Title 5, § 53002

*[See also ICCD Board Policy/Administrative Procedure 3410, 3420, 7100 and 7120]*

It shall be the policy of the Imperial Community College District that all qualified applicants and employees have equal opportunity to seek, obtain, hold, and advance in employment in the District, and are not subjected to discrimination on the basis of ethnic group identification, race, color, national origin, religion, age, sex (gender), physical disability, mental disability, ancestry, sexual orientation, gender identity or expression, genetic information, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. The District will strive to maintain a workplace that is welcoming to individuals from all such groups, appreciates the contributions of individuals from diverse backgrounds, and understands that diversity and inclusivity foster cooperation, acceptance, democracy, workplace safety, and the free expression of ideas essential to a robust

academic community and the preparation of students for success in a global society.

The District understands, and reflects in this EEO Plan that the maintenance of a diverse and inclusive work and educational environment is an on-going process that requires sustained effort.

This EEO Plan shall also be regularly reviewed at least every three years and updated to ensure compliance with applicable federal and state laws.

#### **Plan Component 4: Delegation of Authority, Responsibility and Compliance**

It is the goal of the District that all employees promote and support equal employment opportunity because equal employment opportunity requires a commitment and a contribution from every segment of the district. The general responsibilities for the prompt and effective implementation of this *Plan* are set forth below.

**3. *Equal Employment Opportunity Officer***

The District has designated the Chief Human Resources Officer as its Equal Employment Opportunity Officer who is responsible for the day-to-day implementation of the *Plan*. If the designation of the equal employment opportunity officer changes before this *Plan* is next revised, the district will notify employees and applicants for employment of the new designee. The equal employment opportunity officer is responsible for administering, implementing, monitoring, and achieving the goals of the *Plan* and for assuring compliance with the requirements of title 5, sections 53000 et seq. The equal employment opportunity officer is also responsible for receiving complaints described in Plan Component 6 and for ensuring that applicant pools and selection procedures are properly monitored.

**4. *Equal Employment Opportunity and Diversity Advisory Committee***

The District has established the Equal Employment Opportunity and Diversity Advisory Committee to act as an advisory body to the equal employment opportunity officer and the district through the Human Resource Office to promote understanding and support of

The Equal Employment Opportunity and Diversity Advisory Committee will review staff demographic data and other relevant data for advising the District and assisting in its commitment and goals in achieving equal employment opportunities. The District Equal Employment Opportunity Officer will train the committee members on the requirements of the Title 5 regulations on equal employment opportunity (section 53000 et seq.) and the Plan. Composition of the Equal Employment Opportunity and Diversity Advisory Committee shall approximate a balance between employee groups and a student member, and shall include a diverse membership whenever possible.

This committee shall receive training each year in all the following: applicable title 5 regulations and state and federal nondiscrimination laws; the educational benefits of workforce diversity, and the identification and elimination of bias in hiring decisions; and the role of this committee in carrying out the District's EEO *Plan*. This committee shall hold a minimum of two (2) meetings per academic semester with additional meetings if needed to review EEO and diversity efforts, program, policies and progress.

**Plan Component 6: Complaints**

CCR, Title 5, §§ 53003(c)(2), 53026, and 59300 et seq.

*[See also BCCD Board Policy/Administrative Procedure 3430]*

**Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Section 53026).**

The District has established the following process permitting any person to file a complaint alleging that the requirements of the equal employment opportunity regulations have been violated. Any person who believes that the equal employment opportunity regulations have

been violated may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant's ability, the names of the individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation. Complaints involving current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify a compelling reason for the District to waive the sixty (60) day limitation.

Complaints alleging violations of the EEO Plan that do not involve current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing. A complainant may not appeal the District's determination pursuant to Title 5, section 53026 to the Chancellor's Office, but under some circumstances, violations of the equal opportunity regulations in Title 5 may constitute a violation of a minimum condition for receipt of state aid. In such a case, a complaint can be filed with the Chancellor's Office, but the complainant will be required to demonstrate that he/she made previous reasonable, but unsuccessful, efforts to resolve the alleged violation at the college and District level using the process provided by section 53026.

The District may return without action any complaints that are inadequate because they do not state a clear violation of the EEO regulations. All returned complaints must include a District statement of the reason for returning the complaint without action.

The complaint shall be filed with the Chief Human Resource Officer who serves as the District Equal Employment Opportunity Officer. If the complaint involves the District Equal Employment Opportunity Officer, the complaint may be filed with the Superintendent /President. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of the filing of the complaint. The District Equal Employment Opportunity Officer will forward copies of all written complaints to the State Chancellor's Office upon receipt.

---

The Equal Employment Opportunity Officer will forward copies of all written formal complaints to the State Chancellor's Office upon receipt.

If a complaint filed under Title 5, section 53026 alleges unlawful discrimination, it will be processed according to the requirements of Title 5, section 59300 et seq and the District complaint procedure in AP 3435.

The District has adopted separate policies and procedures for the processing of complaints alleging unlawful discrimination or harassment. These policies and procedures are located in the "*Board Policy/Procedure Section: General Personnel Administration BP 3410, 3420, 3430 and AP 3410, 3420, 3430, 3435*" and on the District website at: <http://www.imperial.edu>

CCR, Title 5, § 53003(c)(5)

The EEO Officer shall pursue a genuine and deliberate effort to distribute a written notice to appropriate community-based and professional organizations concerning this *Plan*. The notice will inform these organizations that they may obtain a copy of the Plan and shall solicit their assistance in identifying diverse qualified candidates. The notice will include a summary of the *Plan*. The notice will also include the website address where the district advertises its job openings and the name(s), department(s) and phone number(s) of individuals to call to obtain employment information. A list of organizations, which will receive this notice, is attached to this Plan. This list may be revised from time to time as necessary.

---

### **Plan Component 10: Analysis of District Workforce and Applicant Pool**

CCR, Title 5, § 53003(c)(6)

The Human Resources Department will annually collect the District's employee demographic data and shall monitor applicants for employment on an ongoing basis to evaluate the District's progress in implementing the Plan and to provide data needed for the reports required by this Plan. Monitored groups are men, women, American Indians/Alaskan Natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Caucasians, and persons with disabilities.

For purposes of the data collection and report each applicant or employee will be afforded the opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. Persons may designate as many ethnicities as they identify with, but shall be counted in only one ethnic group for reporting purposes. This information will be kept confidential and will be separated from the applications that are forwarded to the screening committee and hiring administrator(s). The District will annually report to the Superintendent/President the results of its annual data collection. At least every three years the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group

identification, gender, and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

- 1) Executive/Administrative/Managerial
- 2) Faculty and other Instructional Staff
- 3) Professional Non-faculty
- 4) Secretarial/Clerical
- 5) Technical and Paraprofessional
- 6) Skilled Crafts
- 7) Service and Maintenance

### **District Workforce Analysis**

#### **EEO Data Collection Monitored Group Definitions:**

**GENDER IDENTIFICATION:** The District requested employees to self-identify as **Female or Male**.

**RACE AND ETHNICITY IDENTIFICATION:** The District requested that employees self-identify into the following ethnicity categories-

1. **Hispanic or Latino** –A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin regardless of race.
2. **White Caucasian** (Not Hispanic or Latino) - A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

5. **American Indian or Alaska Native** (Not Hispanic or Latino) - A person having origins in any of the original peoples of North and South America (including Central America), and who maintain tribal affiliation or community attachment.

The District will disaggregate the Asian category from one (1) Asian ethnic group identification to the following two (2) Asian ethnic group identifications:

- **Asian.** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

“Major life activities” means functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, taking, breathing, learning, and working.

### **EEO Data Collection Monitored Group Identification issue:**

There are significant numbers of employees who decline to state their gender, ethnicity, or disability status with the District. The District shall try to accurately capture this information and encourages all persons to provide the above data but understands that this information is voluntarily collected and will not require employees to respond. The District shall distribute its EEO Identification Survey each year during the Fall Semester.

Historical data is provided in Appendix B and exemplifies the way future data shall be collected.

### **Component 11: Analysis of Degree of Underrepresentation and Significant Underrepresentation**

Section 53003(c)(7) of Title 5 requires that, if the State Chancellor provides new availability data regarding job applicants, districts must analyze the degree to which monitored groups are underrepresented in comparison to their representation in the field or job category in which they are applying. The District EEO Office shall be responsible for developing procedures to implement this requirement when availability data becomes available.

Note: The limits placed on data analysis in this section do not affect the District’s obligation to review and compare data regarding the District’s own employees and applicants.

### **Plan Component 12: Institutional Commitment to Diversity**

1. Underrepresentation based on availability data.

Section 53003(c)(8) of Title 5 requires EEO Plans to identify steps to be taken if the analysis pursuant to Section 53003(c)(7) and Component 11, reveals underrepresentation of a monitored group. Should the State Chancellor provide the availability data necessary to conduct this analysis, the District EEO Officer will be responsible for developing appropriate measures for addressing findings of underrepresentation and significant underrepresentation.

- a. Underrepresentation within the District's workforce and/or applicant pools.  
CCR, Title 5, §§ 53003(c)(9)

The District will review the information gathered pursuant to Plan Component 10, to determine if significant underrepresentation of a monitored group may be the result of non-job-related factors in the employment process. For the purposes of Plan Component 13, the phases of the employment process include, but are not limited to, recruitment, hiring, retention and promotion. The information to be reviewed shall include, but need not be limited to:

1. Longitudinal analysis of data regarding job applicants, gathered pursuant to Plan Component 10, to identify whether over multiple job searches, a monitored group is disproportionately failing to move from the initial applicant pool, to the qualified applicant pool;
2. Analysis of data regarding potential job applicants, to the extent provided by the State Chancellor, which may indicate significant underrepresentation of a monitored group; and
3. Analysis pursuant to section 53003(c)(7) to determine whether the group is significantly underrepresented.

Where the above-described review identifies that significant underrepresentation of a monitored group may be the result of non-job-related factors in the employment process, the District shall implement additional measures designed to address the specific area of concern. These additional measures shall include the following:

1. Review its recruitment procedures and identify and implement any additional measures which might reasonably be expected to attract candidates from the significantly underrepresented group;
2. Consider various other means of reducing the significant underrepresentation which do not involve taking monitored group status into account, and implement any such techniques which are determined to be feasible and potentially effective;
3. Determine whether the group is still significantly underrepresented in the category or categories in question after the measures described in (1) and (2) have been in place for a reasonable period; and
4. Review each locally established "required," "desired" or "preferred" qualification being used to screen applicants for positions in the job category to determine if it is job-related and consistent with:
  - a. Any requirements of federal law; and
  - b. Qualifications which the Board of Governors has found to be job-related throughout the community college system, including the requirement that applicants for academic and administrative positions demonstrate sensitivity to

the diversity of community college students; or

5. Discontinue the use of any locally established qualification that has not been found to satisfy the requirements set forth in paragraph (4) of this subdivision;
6. Continue using qualification standards meeting the requirements of paragraph (4) of this subdivision only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of paragraph (4) and be expected to have a less exclusionary effect; and
7. Consider the implementation of additional measures designed to promote diversity that are reasonably calculated to address the area of specific need.

For the purposes of this Plan Component, "a reasonable period of time" means three years, or such longer period as the California Community Colleges Chancellor's Office may approve, upon the request of the Equal Employment Opportunity and Diversity Advisory Committee and the District Superintendent, where the District has not filled enough positions to appreciably affect its work force in the job category in question.

Nothing in this Plan Component shall be construed to prohibit the District from taking any other steps it concludes are necessary to ensure equal employment opportunity, provided that such actions are consistent with the requirements of federal and state constitutional and statutory nondiscrimination law. These steps may include:

- 1) Having the Equal Employment Opportunity and Diversity Advisory Committee, in conjunction with appropriate human resources staff, review the district's recruitment procedures and make recommendations on modifications that would address the underrepresentation.
- 2) Increasing the advertising and recruitment budget for a three-year period to ensure that recruitment is broad and inclusive. Requiring that the responsible administrator for the division or department where the significant underrepresentation occurs develop, in conjunction with the equal employment opportunity officer, recruitment and hiring action plan to assist in addressing the significant underrepresentation. The action plan will include, but is not limited to:
  - a) Additional locations or resources to advertise positions that would likely attract candidates from the significantly underrepresented groups;
  - b) Promotion of curricular offerings that would assist in attracting candidates from significantly underrepresented groups;
  - c) Additional training for current faculty and staff on the value of a diverse workforce;
- 3) Recommended changes to the job announcement and screening criteria, including interview questions, which may reasonably be expected to attract candidates from the significantly underrepresented group.

- 4) Focusing attention on its intern programs where graduate students will be provided the opportunity to co-teach a class offered by the district in the significantly underrepresented discipline.
- 5) Actively monitoring the representation rate of each group, which was identified as being significantly underrepresented in one or more categories. If significant underrepresentation persists for a particular group in the job category in question, after the measures described above have been in place for a period of at least three years, the district will:
  - a) Review each locally established “required”, “desired”, or “preferred” qualification being used to screen applicants for positions in the job category to determine if it is job-related and consistent with business necessity through a process meeting the requirements of federal law.
  - b) Discontinue the use of any locally established qualification that is not found to satisfy the requirements set forth in the previous paragraph and continue using qualification standards meeting the requirements in the previous paragraph only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of the previous paragraph, and be expected to have a less exclusionary effect.
  - c) Analyze the feasibility of significantly increasing the recruitment budget for another three years.
  - d) Develop a recruitment committee composed of the Superintendent/President, the equal employment opportunity officer, the dean or responsible administrator for the division or department where the significant underrepresentation persists and members of the Equal Employment Opportunity and Diversity Advisory Committee to review the effectiveness of the recruitment and hiring program described in *section 3* above. The committee will provide recommendations to modify the recruitment and hiring program to better address the significant underrepresentation.

### **Plan Component 13: Reasonable Accommodations for Persons with Disabilities**

CCR, Title 5, § 53025

Applicants and employees with disabilities shall receive reasonable accommodations consistent with the requirements of Government Code, sections 11135 et seq. and 12940(m); section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act. **Gender Analysis** – Overall, when comparing the gender distribution between Fall 2015 and Fall 2016, there were no substantial changes within employment types at ICCD. There are significant gender representation differences in the following employment types: 90% male for executive/administration and 62.3% female in classified. The total employee gender is representative of the student population at ICCD and with the community gender demographic of 2016.

**Ethnicity Analysis** – The ethnic analysis of employees and comparing to student body is not possible due to the large number of employees who have not identified or disclosed their ethnicity. The trends of ethnic groups at ICCD seem to be trending the right direction but until we can get more accurate data it is difficult to analyze and determine if there is any under representation or significant underrepresentation, especially in regard to the Hispanic/Latino group.

## EEO Data Collection Monitored Group Identification:

The District understands that some persons may identify with multiple ethnic groups, but they shall be counted in only one ethnic group for reporting purposes. All persons will be asked to designate the ethnic group with which he or she most closely identifies.

### Analysis of Applicant Pools

Because so many employees have not disclosed or identified an ethnicity it is not possible to analyze the ethnic demographics when compared to applicants. There is an under representation of Hispanic applicants when compared to the student body and the community demographics. There is a slight over representation of female applicants when compared to the employee, student and community demographics.

## EEO & Diversity Plan Update 2019

### Historical Demographic Data

#### Imperial Community College District (ICCD) Workforce Analysis:

The analysis of the District's current workforce and most recent application pools are reported in the following tables and charts. Provided below is a 2-year analysis of the Imperial Valley College workforce Fall 2016 to Fall 2018.

Adult Population Age 18-65	2016	180,883	49%	51%	1%	1%	2%	84%	11%	1%

**Gender Analysis** – Overall, when comparing the gender distribution between Fall 2016 and Fall 2018, there were no substantial changes within employment types at ICCD. There was progress in reducing the significant gender representation differences in the following employment types: male for executive/administration reduced from 83.3% in 2016 to 60% in 2018 and female in classified group reduced from 62.3% to 62.2%. The total employee gender is representative of the student population at ICCD and with the community gender demographic of 2018 with a slight decrease in female and increase in male. The gender trend among students was opposite with a slight increase in female and decrease in male.

**Ethnicity Analysis** – The ethnic analysis of employees and comparing to student body is representative with the exception within the Hispanic and White ethnicities. The employee Hispanic overall is significantly lower than the student population. The employee Caucasian group is significantly higher than the student body. The trends of ethnic groups at ICCD seem to

be trending the right direction with the exception of Caucasian which is much significantly higher. The data concerning trends is flawed due to erroneous data prior to 2018 in the “unknown” category. This error in data has been corrected so the trend in 2019 will be easier to identify and analyze.

### EEO Data Collection Monitored Group Identification:

The District understands that some persons may identify with multiple ethnic groups, but they shall be counted in only one ethnic group for reporting purposes. All persons will be asked to designate the ethnic group with which he or she most closely identifies.

Analysis of 2017-18 applicant demographics indicate an increase in number of Hispanic applicants and applicants who identify as two or more races. The total number of applicants remained the same, however, the diversity better reflects the demographics of the student body

and community. Human Resources will continue targeted recruitment efforts to agencies and websites which attract a more diverse applicant pool. Human Resources implemented an applicant tracking system (NEOGOV) in January 2019 which will significantly enhance access to applicants and track demographic information to be used in implementing recruitment strategies in the future.

### Historical Demographic Data

#### Imperial Community College District (ICCD) Workforce Analysis:

The analysis of the District’s current workforce and most recent application pools are reported in the following tables and charts. Provided below is a 1-year analysis of the Imperial Valley College workforce Fall 2018 to Fall 2019.

**Gender Analysis** – Overall, when comparing the gender distribution between Fall 2018 and Fall 2019, and the trend over the past four (4) years, there were no substantial changes within employment types at ICCD in regard to gender. The current trend indicates a slight increase to female employees and a slight decrease in male employees, however the overall gender demographics are not under-representative when compared to the gender demographics of the student body or community. The data does indicate an underrepresentation of male employees within the classified employees and an underrepresentation of female part time faculty, however the trend remains flat compared to previous years.

**Ethnicity Analysis** – The ethnic analysis of employees and comparison to student body is representative with the exception within the Hispanic and White ethnicities. The analysis of comparing the employee demographics to that of the community shows the employee Hispanic demographic overall is significantly lower than that of the student population. Conversely, the

employee Caucasian demographic is significantly higher than that of the student body. The trends of ethnic groups at ICCD seem to be trending the right direction with the exception of the American Native Indian and Asian ethnic groups.

### EEO Data Collection Monitored Group Identification:

The District understands that some persons may identify with multiple ethnic groups, but they shall be counted in only one ethnic group for reporting purposes. All persons will be asked to designate the ethnic group with which he or she most closely identifies.

#### Analysis of Applicant Pools

Analysis of 2018-19 applicant demographics indicate a significant increase in number of applicants across the board (more than triple from previous year). This is largely in part due to the District incorporating a on-line applicant tracking system and through increased recruitment efforts. The diversity of applicants reflect current employee and student demographics with the exception of Black/African American and Asian/Pacific Islander demographics where there is a slight under representation. The District has been targeting recruitment of minorities to increase the number of Black/African American and Asian/Pacific Islander applicants and there has been a slight increase. Human Resources will continue targeted recruitment efforts to agencies and websites which attract a more diverse applicant pool.

#### **Actions / Strategies to continue diversity efforts**

Although our demographics closely represent our student body and community it is important to realize that diversity also includes having a diverse faculty body to provide students an understanding and awareness of the different perspectives in regard to culture, beliefs, norms, learning, and the contributions diversity offers.

In this effort the District is promoting diversity through three basic strategies;

1. EEO & Diversity Training for screening committees on every recruitment.
2. Targeted and enhanced recruitment efforts to build diverse applicant pools.
3. Providing diversity training and celebrate diversity through activities and events.

The EEO & Diversity Committee, Human Resources, and District leadership will continue to apply these strategies in achieving and maintaining diversity among our faculty and staff.
