

LEARNING AND CAREER PATHWAY

Business Information Systems Associate in Science (AS) Degree

Placement

Enrollment in college level English and Mathematics courses requires appropriate placement as defined by AB705. All students should see a counselor for a customized Student Education Plan (SEP) before enrolling in college courses. The SEP provides students with individually appropriate course recommendations and accounts for course prerequisite sequencing.

Transfer Preparation

Associate degrees require the completion of certain general education courses. Transfer programs may require the completion of additional coursework depending on the institution. It is advisable to meet with an academic counselor for more information.

Associate Degree Course Sequence

The schedule below is based on a fall semester start and completion of appropriate prerequisites.

Fall 1st Semester	ENGL 110	CIS 101	POLS 102	PE Activity	MATH 091
Units (16)	4	3	3	1	5
IVC GE Req	IVB + VA1	I + VA2	IIIA	IIIC	IVA
CSU GE-B Req					
IGETC Req					
Spring 2nd Semester	ECON 101	MAJOR AREA II [^]	BUS 126	HE 102	Natural Science
Units (15)	3	3	3	3	3
