

PROGRAM PATHWAY

California State University General Education Breadth (CSU GE-B) Certificate

Disclaimer

^One of the science courses must have a lab component.

*Enrollment in college level English and Mathematics courses requires appropriate placement scores on assessment tests and/or completion of the appropriate prerequisite coursework. All students should see a counselor for a customized Student Education Plan (SEP) before enrolling in college courses. The SEP provides students with individually appropriate course recommendations and planning by taking into account each student's assessment results and course completion history.

Certificate of Achievement

Certificate programs are designed for student with personal or occupational goals who wish early employment.
