

LEARNING AND CAREER PATHWAY

Correctional Science

Associate in Science (AS) Degree and Certificate

Placement

Enrollment in college level English and Mathematics courses requires appropriate placement as defined by AB705. All students should see a counselor for a customized Student Education Plan (SEP) before enrolling in college courses. The SEP provides students with individually appropriate course recommendations and accounts for course prerequisite sequencing.

Transfer Preparation

Associate degrees require the completion of certain general education courses. Transfer programs may require the completion of additional coursework depending on the institution. It is advisable to meet with an academic counselor for more information.

Associate Degree Course Sequence

The schedule below is based on a fall semester start and completion of appropriate prerequisites.

Fall 1st Semester	MATH 091	CSI 100	AJ 100	ENGL 110	PE Activity
Units (16)	5	3	3	4	1
IVC GE Req	IVA	I	I + VD	IVB + VA1	IIIC
CSU GE-B Req					
IGETC Req
