

# INFORMATION SESSION!

## SUMMER TRAINING ACADEMY FOR RESEARCH SUCCESS (STARS)

The STARS program invites community college students to participate in an eight week mentored summer research program at UC San Diego. The goal is to increase the numbers of under-represented students with research experience and prepare them to transfer.

### Students will:

- Gain research experience with a UC San Diego faculty member
- Attend transfer preparation workshops
- Enjoy educational, cultural, and social activities in sunny San Diego
- Present at the annual UC San Diego Summer Research Conference

### Participant Requirements:

- Current community college student
- Seriously interested in transferring to a four-year university
- All disciplines eligible

**DATE: THURSDAY, November 29, 2018**

**TIME: 1:00 PM -2:00PM**

**LOCATION: Building 200, Room 202**
